

WASHINGTON – Congressman John B. Larson (CT-01) released the following statement today following the Senate’s unanimous confirmation of West Hartford’s Christopher F. Droney as a member of the United States Court of Appeals, Second Circuit.

Last January Congressman Larson wrote a letter of support to the White House on behalf of Droney’s nomination.

“For 14 years Chris Droney has served with distinction as a United States District Judge in Connecticut. His reputation for fairness and impartiality, combined with his incredible intellect and deep understanding of the law is known and acknowledged throughout every corner of our state.

“I am very pleased to extend my deepest congratulations to Chris and his entire family on his confirmation as US Court of Appeals Second Circuit Judge.

“I am confident that Chris will continue to make Connecticut, and the country, proud every day and look forward to his time as a Second Circuit Judge.”
